EP 550  Statistics and Research Design
COUN 525  Formal Measurement in Education and Counseling
COUN 552  Career Development (alternating years)
COUN 570  Cross-Cultural Counseling
COUN 562  Child Centered Play Therapy
SCHP 690  Psychopathology in School and Mental Health
COUN 540  Psychopharmacology (alternating years)
COUN 504  Crisis Counseling (alternating years)

Please note: Course sequence is determined by choosing a one- or two-semester internship experience. Please discuss these options with your advisor (Drs. Studer, Diambra, or Gibbons) no later than the sixth (6th) week of fall semester.

Please note: Taking additional summer courses will lessen your course load during your internship experience. We recommend no more than three (3) summer courses in order to have time to process your summer class experiences.

Semester Classes Typically Offered (not guaranteed)
