- Dissertation (24 Credit Hours)

What Can I do with a PhD in ESM?

Our graduates have continued on to successful careers in roles such as:

- Director of Curriculum Development and Research, Indiana University.
- Manager of Salesforce Reporting and Analytics, Wyndham Destinations.
- Executive Director of Measurement and Evaluation, University of Tennessee, Chattanooga.
- Senior Statistical Analyst, Booz Allen.
- Senior Evaluation Specialist, University of North Carolina.
- Analyst, Tennessee Valley Authority.
- Business Intelligence Analyst, University of Kansas Medical Center.
- Associate Professor, University of Iowa.
- Lead Evaluator, Oak Ridge Institute for Science and Education.
- Senior Consultant, Gallup
- Psychometrician, Illuminate Education

Do you have a background in education, social sciences, applied statistics, or related fields?

The ESM PhD program is carefully designed to advance experience and scholarship in the application of measurement, methodologies, and evaluation skills in a variety of professional settings.
