

Earn Your **MS Degree** in School Counseling

About School Counseling

Our program prepares students to become professional school counselors within preK-12 schools in Tennessee and most other states. Our students learn about their role as leaders within a data-driven, comprehensive, developmental school counselor program as supported by the the TN Model for School Counseling and the ASCA National Model®.

Applications Due December 1

New cohorts begin each summer

Program Features

Program meets educational requirements for PreK-12 licensure as a School Counselor in Tennessee and most other states.

Full-time students engage in a six semester, cohort-style experience, and graduate in 2 years. (Part-time options available by advisement.)

Three year dual preparation option for those who wish to complete educational requirements for both CMHC and School Counseling.

Students complete practicum and internship placements in a school setting.

Multi-year, 100% pass rate on the PRAXIS.

Multi-year, 100% graduate employment rate.

The University of Tennessee is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services. All qualified applicants will receive equal consideration for employment and admission without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, genetic information, veteran status, and parental status.

Program Objectives

- Graduates will...have foundation knowledge necessary for success as professional counselors.
- Be able to develop therapeutic relationships that are deeply healing, culturally sensitive, developmentally appropriate, and ethical.
- Demonstrate professional dispositions including Commitment, Humility, Openness, Respect, Integrity, and Self-Awareness (CHORIS).
- Be culturally sensitive and ethical advocates for self, clients, and profession...
- Be well-skilled in the full range of tasks needed to coordinate a comprehensive, developmental school counseling program that addresses the academic, career, and social-emotional development of preK-12 students.
